Search Results(7)

Onclick: back to user
list(3)

The screenshot shows a web application window titled "Search Results". At the top, there are three buttons: "logout", "return to list", and "Safe Quit". The "return to list" button is highlighted with a blue box and an arrow pointing to it from the text "Onclick: back to user list(3)". Below the buttons is a large, empty rectangular area, which is identified by a blue box and an arrow as a "Listview with song name and thumbnail". At the bottom of the window, there is a section titled "Create Album from Results". This section contains a text input field with the placeholder text "new album name" and a button labeled "+ Create Album". A blue box and an arrow point from the "+ Create Album" button to the text "Onclick: create album from specified name".

Listview with song
name and thumbnail

Onclick: create album
from specified name
